How to Use This Cheat Sheet

Get results in minutes, not months

These **10 prompts** are designed to help you start generating income using AI tools like ChatGPT — even if you have zero experience. Each one targets a **real, in-demand service** that people and businesses are already paying for.

⚡ Here's how it works:

1. Pick a prompt that interests you.
2. Copy and paste it into ChatGPT (or any AI tool).
3. Customise the [bracketed parts] for your situation.
4. Use the output to deliver value and get paid.

Each prompt includes a **brief explanation** of the opportunity, the **exact prompt to use**, and a **pro tip** to maximise your results. These are real strategies — not theory.

💡 Want the full system?

These 10 prompts are just a taste. **The AI Income OS** gives you 50+ advanced prompts, step-by-step business frameworks, pricing guides, client scripts, and everything you need to build a real AI-powered income stream. Visit aidigitalproducts.com.au to learn more.

The Prompts

Copy, paste, customise, and earn

1

Freelance Service Description Generator

Create a compelling Fiverr or Upwork gig listing that attracts clients. Perfect for launching your first freelance AI service.

F4AC COPY & PASTE THIS PROMPT:

Write a professional freelance gig listing for [SERVICE, e.g. "AI-powered blog writing"]. Include a catchy title, a detailed description highlighting the benefits, 3 pricing tiers (Basic, Standard, Premium), and 5 FAQ answers. Make it persuasive and optimised for [PLATFORM, e.g. "Fiverr"]. Tone: friendly, confident, professional.

 Pro tip: Create 3-5 different gig listings to test which one attracts the most enquiries.

2

Blog Post Writer for Clients

Offer blog writing as a service — businesses pay \$50-\$200+ per post. Use this prompt to deliver quality content fast.

F4AC COPY & PASTE THIS PROMPT:

Write a 1,200-word SEO-optimised blog post about "[TOPIC]" for a [INDUSTRY] business. Target the keyword "[KEYWORD]". Include an engaging introduction, 5 subheadings with actionable advice, and a conclusion with a call to action. Tone: [TONE, e.g. "professional yet approachable"]. Add meta title and meta description at the end.

 Pro tip: Offer a "3 posts per month" package to lock in recurring income from each client.

3

Social Media Content Calendar

Small businesses desperately need social media help. Charge \$200-\$500/month to plan and write their content using AI.

F4AC COPY & PASTE THIS PROMPT:

Create a 30-day social media content calendar for a [BUSINESS TYPE, e.g. "local café"] on [PLATFORM, e.g. "Instagram"]. For each day, provide: post type (image/reel/story/carousel), caption with relevant hashtags, and a content idea. Mix promotional, educational, behind-the-scenes, and engagement posts. Include 4 trending audio/reel ideas. Brand voice: [VOICE, e.g. "fun, community-focused"].

 **Pro tip:** Pair this with Canva to create the actual graphics — then charge extra for the full "done for you" package.

4

Email Sales Sequence

Email marketing is a high-value skill. Write a 5-email sales sequence that businesses can use to convert leads into customers.

F4AC COPY & PASTE THIS PROMPT:

Write a 5-email sales sequence for a [PRODUCT/SERVICE] targeting [AUDIENCE]. The sequence should include: Email 1 — Welcome & value delivery, Email 2 — Pain point & story, Email 3 — Social proof & case study, Email 4 — Objection handling, Email 5 — Urgency & final CTA. Each email should have a subject line (with an alternative), preview text, and body copy under 250 words. Tone: [TONE].

 **Pro tip:** Offer this as a \$300-\$500 one-off project — most businesses don't have a single automated email sequence.

5

Product Description Writer

E-commerce stores need hundreds of product descriptions. Charge per product (\$5-\$15 each) and use AI to deliver at scale.

 **F4AC COPY & PASTE THIS PROMPT:**

Write 5 compelling product descriptions for an online store selling [PRODUCT CATEGORY, e.g. "handmade candles"]. For each product, include: a creative product name, a 150-word description highlighting features and emotional benefits, 5 bullet points, and SEO keywords. Tone: [TONE, e.g. "luxurious and sensory"]. Format for easy copy-paste into Shopify.

 **Pro tip:** Reach out to Etsy and Shopify store owners directly — most have terrible descriptions and will happily pay you to fix them.

6

YouTube Script Creator

YouTube creators pay \$100-\$300+ per script. Help them save hours of writing while keeping their voice authentic.

 **F4AC COPY & PASTE THIS PROMPT:**

Write a YouTube video script about "[TOPIC]" for a channel in the [NICHE] space. Target length: [LENGTH, e.g. "10 minutes"]. Structure: hook (first 30 seconds to stop the scroll), intro with context, 3-5 main points with examples, and a strong CTA. Include B-roll suggestions in [brackets]. Tone: [TONE, e.g. "energetic and conversational like MrBeast meets educational content"]. Add a clickable title and description with timestamps.

 **Pro tip:** Watch 3-4 of the creator's existing videos first and add "Match this speaking style: [paste example quotes]" to the prompt.

7

Lead Magnet / Freebie Creator

Businesses need lead magnets to grow their email lists. Create checklists, guides, or cheat sheets and charge \$100-\$300 per asset.

F4AC COPY & PASTE THIS PROMPT:

Create a [TYPE, e.g. "checklist" / "cheat sheet" / "mini guide"] lead magnet for a [BUSINESS TYPE] targeting [AUDIENCE]. Title it something irresistible. Include: a compelling cover page description, 10-15 actionable items or tips with brief explanations, and a soft CTA at the end promoting [PRODUCT/SERVICE]. Format it with clear headings, checkboxes or numbered items, and keep it to 3-5 pages. Make it feel premium and worth downloading.

 **Pro tip:** This is exactly how you're reading this cheat sheet right now — lead magnets work. Offer to build them for others.

8

Business Plan Outline

New entrepreneurs need help structuring their ideas. Offer AI-assisted business plan writing as a premium service (\$200-\$500+).

F4AC COPY & PASTE THIS PROMPT:

Create a detailed business plan outline for a [BUSINESS IDEA, e.g. "mobile dog grooming service"] in [LOCATION]. Include: Executive Summary, Problem & Solution, Target Market analysis, Revenue Model (with 3 pricing scenarios), Marketing Strategy (first 90 days), Startup Costs estimate, and 12-month Financial Projections. For each section, provide 3-4 paragraphs of content. Tone: professional, investor-ready. End with 3 key risks and mitigation strategies.

 **Pro tip:** Package this with a pitch deck (also AI-generated) and charge \$500+ for the bundle.

9

Resume & Cover Letter Rewriter

Job seekers will pay \$50-\$150 to have their resume professionally rewritten. Use AI to deliver a polished result in minutes.

F4AC COPY & PASTE THIS PROMPT:

Rewrite this resume for a [JOB TITLE] position at [COMPANY TYPE]. Current resume: [PASTE RESUME TEXT]. Improve it by: using strong action verbs, quantifying achievements with numbers, tailoring keywords to match this job description: [PASTE JOB DESC]. Also write a matching cover letter (under 300 words) that highlights the candidate's 3 most relevant strengths. Format the resume in a clean, ATS-friendly structure with clear sections.

 **Pro tip:** Offer a "LinkedIn + Resume + Cover Letter" bundle for \$200 — clients love the convenience of a one-stop service.

10

Online Course Outline Generator

Got expertise in anything? Use AI to structure your knowledge into a course you can sell on Udemy, Teachable, or Gumroad for passive income.

F4AC COPY & PASTE THIS PROMPT:

Create a complete online course outline for teaching "[TOPIC, e.g. "iPhone photography for beginners"]". Include: a compelling course title & subtitle, a course description (200 words), learning outcomes (5 bullet points), and 8 modules. Each module should have: a title, 4-5 lesson titles, a brief description of what's covered, and one practical exercise or assignment. End with a bonus module idea and a suggested price point with justification. Target audience: [AUDIENCE].

 **Pro tip:** Use this outline to actually build the course — record each lesson as a 5-10 minute video and sell it for \$29-\$97 on autopilot.

You've Got the Prompts — Now What?

This was just a taste of what's possible

These 10 prompts can genuinely help you earn your first dollars with AI. But if you want the **complete system** — with 50+ advanced prompts, done-for-you business frameworks, pricing strategies, client outreach templates, and a step-by-step roadmap to building a real AI income stream...
